PROGRAM ADVERTISING

Reach Your Customers! In an effort to connect exhibitors with potential customers and maximize exposure, we are taking our event program to a whole new level with digital and print editions! A complimentary copy of the print edition will be provided to attendees, while the digital publication will be promoted to online viewers and will include links to advertiser websites. This is an outstanding and affordable way to advertise your horse-related products or services, training facility, or stallion to avid horse people. This invaluable guide contains the complete schedule of events, building maps, biographies of the presenters, vendor list, and much more! Many people keep the program as a resource after the event and now an online version will be available.
